

Serving & Educating People In South Sudan

## The 50 Day Challenge

*“Train up a child in the way he should go; even when he is old he will not depart from it.” – Proverbs 22:6*

SEA Partners have been in Boma over a decade and our very first class has now progressed to the 8th grade. Their success is due to the generosity of many wonderful partners that supported them each and every year for the past decade. These children have learned to read, write and speak English so well that if you went to visit them in Boma you could carry on a normal conversation. It is hard to believe they are the first generation of their families that have attended school...***imagine being the first child of your family to receive an formal education.***

So, starting TODAY.....we begin the **50 Day Challenge!**

## What is the 50 Day Challenge

The **50 Day Challenge** is our campaign aimed at sponsoring **one new child per day** for the next 50 days. Starting today, October 14th, there are 50 days until the December 2. Your generosity of \$35 per month allows an additional child to go to school, be taught by a Christian teacher, and will guarantee that child will have at least one healthy, well balanced meal, each and every day. Your monthly gift allows parents

to see their children gain something they never had, allowing them time to learn new job skills and to improve their lives through the agriculture training SEA Partners provides.

## Join US!

Would you please consider taking part in the **50 Day Challenge** and sponsoring a child for two years? While 50 is our goal, there is certainly never a limit or number that is too high. There are over 300 children who would love to attend school if the money was available. While I'm confident that we will meet our number come December 2nd, I want you to experience the joy and warmth that comes from helping these underprivileged kids. There are so many times throughout the Bible that He commands us to take part in spreading the gospel.....

“19 Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, 20 and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” – Matthew 28:19-20

Please consider changing the future of a child in Boma by accepting the **50 Day Challenge**.

## Social Media Promotion

One last thing, should you decide that sponsoring a child is the right thing for you, we ask that you do us one more favor by helping us raise awareness of our cause. If you use Social Media, we ask that you replace your profile picture with this picture below of some students in Boma. Could you also post the following after you change the profile picture?

**#50DayChallenge. Today, I decided to sponsor a child in Boma, South**

Sudan monthly to change their future and give them an opportunity to attend school. Over time, this child will also have a much better chance to find a relationship with Jesus by learning under our Christian teachers and missionaries. If you would like to know how to support a boy or girl in Boma, please go to [www.sea-partners.org](http://www.sea-partners.org).

Thank you for your kindness and consideration. To follow our progress, we will maintain a running total of new sponsorships on our [website](http://www.sea-partners.org). God Bless,

Mike Funk

U.S. Director
